CELEBRATING CENTENARY OF MORRISON'S LANDING

Representative of the Viceroy
Gives Assurance That China
Is Not Unfriendly.

SHANGHAI, April 25.—The opening of the Protestant missionary conference today in celebration of the centenary of the landing of Robert Morrison, the English missionary, at Canton, was marked by the attendance of the largest body of missionaries ever gathered in the Far East. The missionaries met in the splendid auditorium of the new Chinese Y. M. C. A. building, with about 1000 missionaries and foreign visitors present, including the secretaries or representatives of thirty missionary boards and of the Laymen's Missionary association, and ministers and laymen from the United States, Germany, France, Holland, Sweden, Switzerland, Austria, Finland, Hawaii, Japan, the Philippines, China, Siam, India, Korea, Ceylon and the Malayan archipelago.

The Rev. A. H. Smith of the Pang Chung mission of the American Board of Commissioners for Foreign Missions, and the Rev. J. C. Gibson, D. D., of the English Presbyterian mission at Satow, acted as chairman in the afternoon and evening sessions.

China Protests Friendliness.
About 2000 persons were present at the evening reception, when Viceroy Tuan Fan of Nanking was represented by Taoti Wong, who called the members of the conference to order and assured them of his friendliness to the missionaries.

A feature of the day was the opening of the new hall, dedicated in memory of the missionaries and others who lost their lives in the Boxer uprising. Important meetings were held here April 23 and yesterday, among them being that of the Chinese Medical association, which was attended by eighty missionary physicians. Their reported observations confirm the theory that malaria infection is being spread by mosquitoes. Stress was laid on the unity of medical men in all missionary work. The missionary delegates of the Baptists and Presbyterians and the Anglican bishops of China declared themselves in favor of a closer union of their respective churches in order to make their work more effective. Action towards federating all the Presbyterian denominations was taken.

WOONSOCKET, R. I., April 25.—The directors of the Woonsocket Electric Machine & Power company issued a circular letter to the stockholders today as follows:
"It has this day come to the knowledge of the stockholders of the company that there has been an embezzlement from the company of a large sum of money and the resignation of Levi Cook Lincoln, as secretary and general manager of the company, has been accepted."

Counsel for the power company said today:
"It appears there has been an embezzlement from the company of about \$82,000, and Mr. Lincoln has turned over to him the company property worth about \$40,000."

Mr. Lincoln has been secretary, treasurer and general manager of the company for seventeen years.

DARING ROBBERY

Thief Carries Off Tray of Diamonds in Broad Daylight.

OAKLAND, Cal., April 25.—Three thieves made away with a tray full of diamonds from the store of Paul C. Pulse, corner of Thirteenth and Washington streets, this morning, when the streets were crowded with pedestrians. The value of the plunder is more than \$5000. No trace of the trio has been found by the police.

At the time of the robbery three women clerks were in the jewelry store. Two men entered and engaged them in conversation, the third man remaining near the door. Suddenly one of the men opened the sliding back of a window, seized a tray of diamonds and ran up the street. His associates boarded a Berkeley car and all escaped.

DOCTOR'S ALL AGREE THIS TIME.

The most eminent writers on *Materia Medica*, whose works are consulted as authorities and guides in prescribing by physicians of all the different schools of practice, extol, in the most positive terms, the curative virtues of each and every ingredient entering into Dr. Pierce's Golden Medical Discovery. In fact it is the only medicine, put up for sale through druggists for the cure of all diseases of the mucous surfaces, as nasal catarrh, throat, laryngeal, and bronchial affections attended by lingering, or hang-on-coughs that has any such professional endorsement—worth more than any amount of lay or non-professional testimonials.

Do not expect too much from the use of Dr. Pierce's Golden Medical Discovery. It will not work miracles. It will not cure consumption in its advanced stages. No medicine will. Nor is the "Discovery" so good for a sudden attack of acute cough, but for the lingering, obstinate, hang-on-coughs, accompanying catarrhal, throat, laryngeal and bronchial affections, it is a most efficacious remedy. In cases accompanied with wasting of flesh, night-sweats, weak stomach and poor digestion with faulty assimilation, and which, if neglected or badly treated are apt to lead to consumption, the "Discovery" has proven wonderfully successful in effecting cures.

Besides curing all the above distressing ailments, the "Golden Medical Discovery" is a specific for all diseases of the mucous membranes, as catarrh, whether of the nasal passages or of the stomach, bowels or of the bladder. Even in its ulcerative stages it will yield to this sovereign remedy if it is persevered in. In Chronic Catarrh of the Nasal passages, it is well, while taking the "Golden Medical Discovery" for the necessary constitutional treatment, to cleanse the passages freely two or three times a day with Dr. Sage's Catarrh Remedy. This thorough course of treatment generally cures the worst cases.

If you have bitter or bad taste in the morning, poor or variable appetite, coated tongue, foul breath, constipated or irregular bowels, feel weak, easily tired, despondent, frequent headaches, pain or distress in "small of back," gnawing or distressed feeling in stomach, perhaps nausea, bitter or sour "risings" in throat after eating, and kindred symptoms of weak stomach and torpid liver, no medicine will relieve you more promptly or cure you more permanently than Doctor Pierce's Golden Medical Discovery. Perhaps only a part of the above symptoms will be present at one time and yet point to torpid liver or biliousness and weak stomach, all high bred and big built, griddle cakes and other indigestible food and take the "Golden Medical Discovery" regularly and stick to its use until you are vigorous and strong.

Foul, impure blood can be made pure by the use of Dr. Pierce's Golden Medical Discovery. It enriches and purifies the blood thereby curing, pimples, blotches, eruptions and other cutaneous affections, as eczema, tetter, or salt rheum, hives and other manifestations of impure blood. In the cure of scrofulous swellings, enlarged glands, open eating ulcers, or old sores, the "Golden Medical Discovery" has performed the most marvelous cures. In cases of old sores, or open eating ulcers, it is well to apply to the open sores Dr. Pierce's All-Healing Salve, which possesses wonderful healing potency when used as an application to the sores in conjunction with the use of "Golden Medical Discovery" as a blood cleansing constitutional treatment. If your druggist doesn't have the "All-Healing Salve" in stock, you can easily procure it by enclosing fifty-five cents in postage stamps to Dr. R. V. Pierce, 663 Main St., Buffalo, N. Y., and it will come to you by return post. Most druggists keep it as well as the "Golden Medical Discovery."

Not only does the wrapper of every bottle of Dr. Pierce's Golden Medical Discovery, the famous medicine for weak stomach, torpid liver or biliousness and all catarrhal diseases wherever located, have printed upon it, in plain English, a full and complete list of all the diseases it is composing it, but a small book has

been compiled from numerous standard medical works, of all the different schools of practice, containing very numerous extracts from the writings of leading practitioners of medicine, endorsing in the strongest possible terms, each and every ingredient contained in Dr. Pierce's medicines. One of these little books will be mailed free to any one sending address on postal card, by letter, to Dr. R. V. Pierce, Buffalo, N. Y., and requesting the same. From this little book it will be learned that Dr. Pierce's medicines contain no alcohol, narcotics, mineral agents or other poisonous or injurious agents and that they are made from native, medicinal roots of great value.

Some of the most valuable ingredients contained in Dr. Pierce's Favorite Prescription for weak, nervous, over-worked, "run-down," nervous and debilitated women, were employed, long years ago, by the Indians for similar ailments affecting their squaws. In fact, one of the most valuable medicinal plants entering into the composition of Dr. Pierce's Favorite Prescription was known to the Indians as "Squaw-Weed." Our knowledge of the uses of not a few of our most valuable native, medicinal plants was gained from the Indians.

As made up by improved and exact processes, the "Favorite Prescription" is a most efficient remedy for healing ulcerations, correcting displacements, as prolapsus, anteversion and retroversion, overcoming painful periods, toning up the nerves and bringing about a perfect state of health. Sold by all dealers in medicines.

It's an insult to your intelligence for a dealer to endeavor to palm off upon you some nostrum of unknown composition in place of Dr. Pierce's world-famed medicines which are of known composition. Most dealers recommend Dr. Pierce's medicines because they know what they are made of and that the ingredients employed are among the most valuable that a medicine for like purposes can be made of. The same is true of leading physicians who do not hesitate to recommend these medicines, since they know exactly what they contain and that their ingredients are the very best known to medical science for the cure of the several diseases for which they are recommended.

With tricky dealers it is different. Something else that pays them a little greater profit will be urged upon you as "just as good," or even better. You can hardly afford to accept a substitute of unknown composition and without any particular record of cures in place of Dr. Pierce's medicines which are of known composition and have a record of forty years of cures behind them. You know what you want and it is the dealer's business to supply that want. Insist upon it.
